About the Fund

The Pendal Sustainable International Share Fund (**Fund**) is an actively managed portfolio of international shares. Investments are selected on a range of sustainable, ethical and financial criteria.

Investment Return Objective

The Fund aims to provide a return (before fees, costs and taxes) that exceeds the MSCI World ex Australia (Standard) Index (Net Dividends) in AUD by 2% p.a. over rolling 3 year periods.

Investment Strategy and Fund Features

The Fund uses an active security selection process that combines sustainable and ethical criteria with financial analysis. The Fund actively seeks exposure to securities and industries that demonstrate leading ESG and ethical practices consistent with Pendal's sustainability criteria while avoiding exposure to companies with activities that we consider to negatively impact the environment or society.

The sustainable and ethical criteria employed include factors such as:

- environmental issues,
- social practices,
- corporate governance, and
- ethical practices.

The Fund has assets that are denominated in foreign currencies. This means that changes to the Australian dollar relative to foreign currencies may affect the value of the assets of the Fund. Generally, these currency exposures will not be hedged to the Australian dollar.

The criteria applied to the Fund's investments may exclude some industry sectors or companies from the Fund's 'investable universe'. For this reason the Fund's performance may vary when compared to other funds that are able to invest in these companies. This risk should be considered when deciding whether to invest in the Fund.

Investment Team

The Fund is managed by Perpetual's Multi-Asset Strategies Team, using an emulation approach that draws on the expertise of a range of teams within the Perpetual Group, specifically JO Hambro's Global Select strategy, Barrow Hanley's Global Value Equity ESG strategy, and Trillium's ESG Global Equities strategy. The Multi-Asset Team can also utilise futures or other securities to manage risk, equitize cash and/or manage cash flows in and out of the Fund. March 2024 the prior responsible investment management team, being the Pendal Multi-Asset Investments Team, merged with the Perpetual Multi-Asset Team.
